Initial Build Notes

Creative Director: Kathy Pan

Designer: Lu Folsey

- Like how the menu bar have hover-state

- Want to have menu bar in between title the "Spiritfarer" title and the text content

- Have menu bar scratch width to fit the whole screen

- Add information text in home page and then attach video

- Add characters subpage in between story and gameplay, display 2 characters each row

- Blur background/blur background for text border instead of having a white square

- Have different background for each subpage
